

each flow rate disclosure shall also be given in liters per flush (Lpf). For purposes of this section, the marking indicating the flow rate will be deemed “legible,” in terms of placement, if it is located in close proximity to the manufacturer’s identification marking.

(2) Each water closet (and each component of the water closet if the fixture is comprised of two or more components) and urinal shall be marked with the manufacturer’s name or trademark or, in the case of private labeling, the name or registered trademark of the customer for whom the unit was manufactured. This mark shall be legible, readily identified, and applied so as to be permanent. The mark shall be located so as to be visible after the fixture is installed, except for fixtures built into or for a counter or cabinet.

(3) Each water closet (and each component of the water closet if the fixture is comprised of two or more components) and urinal shall be marked at a location determined by the manufacturer with the designation “ASME A112.19.2M” to signify compliance with the applicable standard. This mark need not be permanent, but shall be visible after installation.

(4) The package, and any labeling attached to the package, for each water closet and urinal shall disclose the flow rate, expressed in gallons per flush (gpf), and the water use value shall be the actual water use or the maximum water use specified by the standards established in subsection (k) of section 325 of the Act, 42 U.S.C. 6295(k). Each flow rate disclosure shall also be given in liters per flush (Lpf).

(5) With respect to any gravity tank-type white 2-piece toilet offered for sale or sold before January 1, 1997, which has a water use greater than 1.6 gallons per flush (gpf), any printed matter distributed or displayed in connection with such product (including packaging and point-of-sale material, catalog material, and print advertising) shall include, in a conspicuous manner, the words “For Commercial Use Only.”

(c) *Annual operating cost claims for covered plumbing products.* Until such time as the Commission has prescribed a format and manner of display for labels conveying estimated annual oper-

ating costs of covered showerheads, faucets, water closets, and urinals or ranges of estimated annual operating costs for the types or classes of such plumbing products, the Act prohibits manufacturers from making such representations on the labels of such covered products. 42 U.S.C. 6294(c)(8). If, before the Commission has prescribed such a format and manner of display for labels of such products, a manufacturer elects to provide for any such product a label conveying such a claim, it shall submit the proposed claim to the Commission so that a format and manner of display for a label may be prescribed.

**§ 305.19 Promotional material displayed or distributed at point of sale.**

(a)(1) Any manufacturer, distributor, retailer or private labeler who prepares printed material for display or distribution at point of sale concerning a covered product (except fluorescent lamp ballasts, metal halide lamp fixtures, general service fluorescent lamps, medium base compact fluorescent lamps, or general service incandescent lamps including incandescent reflector lamps, showerheads, faucets, water closets or urinals) shall clearly and conspicuously include in such printed material the following required disclosure:

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

(2) Any manufacturer, distributor, retailer or private labeler who prepares printed material for display or distribution at point of sale concerning a covered product that is a fluorescent lamp ballast or metal halide lamp fixture to which standards are applicable under section 325 of the Act, shall disclose conspicuously in such printed material, in each description of such product, an encircled capital letter “E”.

(3) Any manufacturer, distributor, retailer, or private labeler who prepares printed material for display or distribution at point of sale concerning a

covered product that is a general service fluorescent lamp, medium base compact fluorescent lamp, or general service incandescent lamp (including an incandescent reflector lamp), and who makes any representation in such promotional material regarding the cost of operation of such lamp shall clearly and conspicuously disclose in close proximity to such representation the assumptions upon which it is based, including, e.g., purchase price, unit cost of electricity, hours of use, and patterns of use.

(4) Any manufacturer, distributor, retailer, or private labeler who prepares printed material for display or distribution at point-of-sale concerning a covered product that is a showerhead, faucet, water closet, or urinal shall clearly and conspicuously include in such printed material the product's water use, expressed in gallons and liters per minute (gpm and L/min) or per cycle (gpc and L/cycle) or gallons and liters per flush (gpf and Lpf) as specified in §305.11(f).

(b) This section shall not apply to:

(1) Written warranties.

(2) Use and care manuals, installation instructions, or other printed material containing primarily post-purchase information for the purchaser.

(3) Printed material containing only the identification of a covered product, pricing information and/or non-energy related representations concerning that product.

(4) Any printed material distributed prior to the effective date listed in §305.4(e).

#### § 305.20 Paper catalogs and websites.

(a) Any manufacturer, distributor, retailer, or private labeler who advertises in a catalog, a covered product (except ceiling fan, fluorescent lamp ballasts, metal halide lamp fixtures, general service fluorescent lamps, medium base compact fluorescent lamps, general service incandescent lamps including incandescent reflector lamps, showerheads, faucets, water closets, or urinals) shall include in such catalog

either the EnergyGuide labels prepared in accordance with §§305.11 and 305.12 for products they offer or the following information:

(1) The capacity of the model on each page that lists the covered product.

(2) The estimated annual operating costs for refrigerators, refrigerator-freezers, freezers, clothes washers, dishwashers, room air conditioners, and water heaters as determined in accordance with §305.5 and appendix K of this part on each page that lists the covered product.

(3) A statement conspicuously placed in the catalog:

(i) For refrigerators, refrigerator-freezers, and freezers (fill in the blanks with the appropriate year and energy cost figures):

Your operating costs will depend on your utility rates and use. The estimated operating cost is based on a [Year] national average electricity cost of [ \_\_\_\_\_ cents per kWh].

For more information, visit [www.ftc.gov/appliances](http://www.ftc.gov/appliances).

(ii) For room air conditioners and water heaters, (fill in the blanks with the appropriate year and energy cost figures):

Your operating costs will depend on your utility rates and use. The estimated operating cost is based on a [Year] national average [electricity, natural gas, propane, or oil] cost of [\$ \_\_\_\_\_ per kWh, therm, or gallon].

For more information, visit [www.ftc.gov/appliances](http://www.ftc.gov/appliances).

(iii) For clothes washers and dishwashers, (fill in the blanks with the appropriate information such as the year, and the energy cost figures):

Your operating costs will depend on your utility rates and use. The estimated operating cost is based on [4 washloads a week for dishwashers, or 8 washloads a week for clothes washers] and a [Year] national average cost of \_\_\_\_\_ cents per kWh for electricity and \$ \_\_\_\_\_ per therm for natural gas.

For more information, visit [www.ftc.gov/appliances](http://www.ftc.gov/appliances).

(4) The energy efficiency or thermal efficiency ratings for pool heaters, central air conditioners, heat pumps, and furnaces (including boilers) as determined in accordance with §305.5 on each page that lists the covered product.

(b) Any manufacturer, distributor, retailer, or private labeler who advertises fluorescent lamp ballasts that are "covered products," as defined in
